**Dr Brian Yong MD CCFP**

**Dr. Christina Yong MD CCFP**

## UPDATED

February 24, 2025

**Dear Patients of Dr. Peter Yong:**

Please be informed, due to unforeseen circumstances beyond my control, the retirement date originally communicated in November 2024, will now take effect immediately. I understand this news may come as a surprise, and I sincerely apologize for any inconvenience it may cause.

If you have not already found a new doctor or nurse practitioner, here again are the options you can explore:

- **Registering with the Health Connect Registry** (<https://www.healthlinkbc.ca/health-connect-registry>)
- Visiting the Pathways Medical Directory ([pathwaysmedicalcare.ca](http://pathwaysmedicalcare.ca))
- Contacting HealthLink BC using 8-1-1 toll-free number (or 7-1-1 if you are hearing impaired) or visiting their website at [healthlinkbc.ca](http://healthlinkbc.ca).
- Contacting your local Divisions of Family Practice ([divisionsbc.ca](http://divisionsbc.ca)), as some are establishing physician directories
- Visiting a local walk-in clinic or Urgent Primary Care Centre (UPCC). UPCCs also serve as primary care clinics for people who do not have a regular primary care provider and will work to connect them to a primary care clinic as space is available.
- Asking friends and family for recommendations.

Once you have identified an alternative physician or nurse practitioner, your medical records will be transferred to their clinic only upon receipt of your written authorization for their release.

**For refills and urgent matters**, please visit a local walk-in clinic, Urgent Primary Care Centre (UPCC) or the Emergency Room.

I wish you and your family the best of health in the future.

Sincerely,

Dr. Peter Yong
